Overlapping Bag Planner

5 dinners · 1 shop · less waste

Constraint Soft mini — clever + cheap. Aldi/Lidl-friendly blanks.
Instant PDF · Soft Stripe · Not advice

Dinner map · five nights only

Pick five dinners that share protein/veg/carbs. One leftover night optional. One shop.

#	Dinner	Shared protein	Shared veg	Carbs
1				
2				
3				
4				
5				

Filled example: chicken ×2 nights · peppers across traybake + fajitas · rice + wraps from one bag

Bag columns · one shop

Protein	Veg / salad	Carbs / pantry	Dairy / other

Aldi / Lidl friendly — tick what you will actually buy this run

■ Same protein twice ■ One salad bag for two nights ■ Frozen veg backup ■ No “maybe” snacks

Waste notes · sharpen next week

What you bought and did not use. Next bag map gets meaner (in a good way).

Filled example: bought spinach — wilted — next time cook Mon not Thu

Weekly repeat (date the shop)
