How to Use This Pack

What's inside. Part 1 is the quizmaster copy: one A4 page per round, questions with answers underneath in red. Part 2 is the team answer sheets: one per round, photocopy one per team. Part 3 has the tie-breakers and the master scoreboard.

Print it. Print Part 1 once for yourself. Pick your rounds and print or photocopy the matching team answer sheets, one per team per round. Black and white printing is fine.

Run it. Read each question twice. After each round, swap sheets between teams for marking while you read the answers. Six to eight rounds make a 90-minute night.

Jokers. Each team may play a joker on one round, declared before it starts, to double those points.

Ties. Read a tie-breaker. The closest answer wins.

Licence. You may print and photocopy this pack as often as you like for quizzes you run yourself, including charity and pub nights. Please don't resell or share the file.

House rules. No phones, the quizmaster is always right, and the losers do the washing up.
