

Invoice Tracker

Who owes you, how late it is, and when you last chased.

What's inside

• Invoice register (60 invoices)	p.2
• Who owes you: aged view	p.5
• Chase log	p.6
• Year summary by month	p.7

How to use it

1. Log every invoice the day you send it.
2. Each Friday, update the paid column and move anything late to the aged view.
3. Chase on day 1, 7 and 14 overdue, and note each chase.
4. Month end: fill the year summary so you know your real income.

Print it or type into it

Print at 100% on A4, or type into any box. A record-keeping template, not tax or legal advice.

Notes

Fill on the last Friday of the month. Anything in the last two columns gets a chase this week.
