

PRINTABLE MEAL PLANNER · FIVE TEAS, ONE SHOP

Overlapping Bag Planner

Five teas that share ingredients from one shop, so less ends up in the bin.

What's inside

• How overlap planning works	p.2
• A filled example	p.3
• Eight weekly overlap planners	p.4
• Waste log	p.12

How to use it

1. Pick one protein, two veg and one carb that can cover several teas.
2. Write five teas that share them.
3. Shop once, from the bag columns. Nothing 'just in case'.
4. Log what got thrown away so next week's plan is tighter.

Print it or type into it

Print at 100% on A4 (or 'fit to page' for US Letter). To fill it in on screen, open it in Adobe Acrobat Reader, Edge, Chrome or Mac Preview and click any line or tick box.

Most food waste is half a bag of something bought for one recipe. Overlap planning picks a few ingredients that can be used across the week, so every bag gets finished.

Rule of thumb
If an ingredient is only in one tea, swap that tea or swap the ingredient.
