

Sunday Reset Workbook

Eight timed Sunday resets with prompts and a filled example.

What's inside

- How the 90-minute reset works p.2
- A filled example Sunday p.3
- Eight Sunday reset sheets p.4
- Eight-week review p.12

How to use it

1. Read the filled example once so you know what 'enough' looks like.
2. Each Sunday, take one sheet. Set a 90-minute timer.
3. Work the five blocks in order, answering the short prompts.
4. After eight weeks, fill in the review and keep what worked.

Print it or type into it

Print at 100% on A4 (or 'fit to page' for US Letter). To fill it in on screen, open it in Adobe Acrobat Reader, Edge, Chrome or Mac Preview and click any line or tick box.

Block	Minutes	What 'done' looks like
Kitchen	25	Sink empty, surfaces clear, fridge checked, leftovers dated
Clothes	20	One wash on, Monday's clothes out, kit bags ready
Diary	15	Every fixed time this week written down, lifts arranged
Bags and paper	20	Bags emptied, post sorted, forms signed
Digital	10	Downloads cleared, phone charging, inbox skimmed

When the timer ends, stop. Anything left goes at the top of next Sunday's sheet. A reset you'll repeat beats a deep clean you'll dread.

- Put a timer where you can see it.
- Bin bag, washing basket and a pen ready.
- Music or a podcast on. Phone face down.

This is what a normal, good-enough reset looks like.
