

PRINTABLE HABIT TRACKER · 30 AND 90 DAYS

Habit Tracker

Habit stacking, three 31-day trackers, a 90-day grid and a weekly review.

What's inside

• Habit set-up: stacking and tiny versions	p.2
• Three monthly 31-day trackers	p.3
• 90-day tracker	p.6
• Weekly keep, drop or shrink review	p.7

How to use it

1. Pick no more than five habits. Fewer is better.
2. For each, write the tiny version you'll do on a bad day.
3. Tick each day. Missed one? Never miss two: that's the only rule.
4. Sunday: keep it, drop it, or shrink it.

Print it or type into it

Print at 100% on A4 (or 'fit to page' for US Letter). To fill it in on screen, open it in Adobe Acrobat Reader, Edge, Chrome or Mac Preview and click any line or tick box.

Attach each habit to something you already do, and give it a bad-day version.

Never miss twice
Missing a day is normal. Missing two is the start of a new habit: stopping. On a bad day, do the tiny version and tick it.
