School-Night Teas Under 30

Twenty family teas on recipe cards, all on the table in under 30 minutes.

What's inside

- Fridge index of all 20 teas p.2
- Twenty recipe cards, four per page p.3
- Cupboard and freezer staples list p.8
- Your favourites rota p.9

How to use it

1. Stick the index on the fridge.
2. Sunday: pick five teas for the school week and tick them on the index.
3. Print or screenshot the cards you need. Each serves four.
4. Keep the staples in and you can make most of them without a special shop.

Print it or type into it

Print at 100% on A4, or type into any box. Meal ideas, not nutrition advice. Check labels for allergies and cook meat until piping hot.
