

PRINTABLE WEEKLY PLANNER · TWELVE UNDATED WEEKS

Weekly Planner

Twelve undated weeks with top three, day columns and a Friday shutdown.

What's inside

• Twelve-week goals	p.2
• Twelve undated week spreads	p.3
• Friday shutdown on every week	p.3
• Next-week parking lot	p.3

How to use it

1. Sunday or Monday morning: write the date and three must-dos.
2. Block the fixed things first: work, school run, appointments.
3. Each evening, move anything that slipped. Don't rewrite the whole week.
4. Friday: ten-minute shutdown. Park what's left for next week.

Print it or type into it

Print at 100% on A4 (or 'fit to page' for US Letter). To fill it in on screen, open it in Adobe Acrobat Reader, Edge, Chrome or Mac Preview and click any line or tick box.

Three goals for the next twelve weeks. Everything else is a bonus.
