What's inside

- All projects on one page p.2
- Eight one-page project plans p.3
- Weekly review: keep, finish or kill p.11

How to use it

1. List every live project on the overview. Be honest about how many there are.
2. Give the important ones a one-page plan with a clear 'done' line.
3. Every project always has one written next action.
4. Friday: keep, finish or kill. Three live projects is plenty.

Print it or type into it

Print at 100% on A4 (or 'fit to page' for US Letter). To fill it in on screen, open it in Adobe Acrobat Reader, Edge, Chrome or Mac Preview and click any line or tick box.
