

Meal Planner

12 undated weekly grids covering breakfast, lunch, dinner and snacks. Leftover-to-lunch boxes. Household-size notes for 1, 2, 4 and 6 people. Theme-night prompts: pasta, traybake, slow cooker, leftovers, cheap night. Weekly prep list. Dietary tags: vegetarian, vegan, gluten-free, budget, batch. One worked example week for a family of four using UK supermarket staples, labelled SAMPLE ONLY.

One-page Sunday how-to

- 1. Block 15 minutes on Sunday. Fill dinners first, then lunches from leftovers, then breakfasts, then snacks.
- 2. Pick one theme night (pasta, traybake, slow cooker, leftovers, cheap night) so Thursday is not a referendum.
- 3. Write household size (1, 2, 4 or 6 people) so portions are a number, not a vibe.
- 4. Tick dietary tags that apply this week. Transfer ingredients to the grocery list.
- 5. Stick the week on the fridge. When a dinner fails, replace that slot next Sunday. Do not bin the sheet.
