Free proofreading sample pack

What a TCH Works proofread actually looks like, on a real-length document: before, every change marked, the questions we send back, and the style sheet we keep so the whole thing reads the same.

What's in this pack

• Page 2: the document as it was sent to us (265 words, a made-up community garden newsletter).

• Page 3: the same document with all 27 changes marked. ~~Red struck-through~~ is removed, green underlined is added.

• Page 4: the 5 questions we'd send back instead of guessing, and the style sheet.

• Three Word files on the same web page: the original, the tracked-changes version (open it in Word or Google Docs and accept or reject each change) and the clean copy.

How a paid proofread works

1. Pick a size and pay through Stripe: up to 3,000 words £15, or up to 10,000 words £40.

2. Email the file to tchworks.shop@agentmail.to, with who it's for and any house style.

3. We go through it line by line, fixing spelling, grammar, punctuation and consistency, and flagging anything that reads unclearly.

4. You get tracked changes plus a clean copy by email, within 2 working days (3 for the larger size).

What we won't do

We don't change facts, figures, names or dates we can't check. We ask instead, like the questions on page 4. We don't edit essays, dissertations or coursework that will be marked, and we don't give legal or medical sign-off.

Honest limits

The newsletter, garden, school and people in this pack are all made up. Written with AI assistance and checked line by line by the TCH Works team. On paid jobs we use AI tools to help spot errors, and every change is checked by hand and shown to you as a tracked change. If you'd rather we didn't use AI at all, say so and we won't.

Before: as it was sent to us

Read it once and see how many you'd catch. Some are easy (capitals, apostrophes). Some are the ones spellcheck misses: who's and whose, your and you're, a comma where a full stop belongs.

Hollybrook Community Garden - Winter Newsletter

Welcome to our winter newsletter! Its been a busy autumn at the garden, and we want to say a big thank you to everyone who's time, tools and cake kept us going.

Over 40 volunteers helped at the apple day on saturday 4th october. Together we pressed over 300 litre's of juice and raised £412.50p for the new poly-tunnel. A special thanks to the Year 5 class from Hollybrook Primary, who done a brilliant job on the tasting table.

Dates for your diary

Wreath-making workshop: Sat 28th Nov, 10am to 12.00. £8 per person, all materials included, booking essential.

Winter work party: every sunday in December, 10am-12pm. No experience needed - just bring gloves.

Seed swap: Saturday 16 January 2027 in the church hall. Bring seeds your happy to share, or just come and take some.

A note on the shed

We've had a few reports of tools going missing. Please return everything to the shed and make sure the padlock is locked, it's the combination we emailed in September. If youve forgotten it, ask any committee member. We would also like to remind everyone that the shed is not to be used for storage of personal items, which has been building up.

Finally, a huge thank you to Mrs Patel who has organized the rota for 3 years and is stepping down in the new year. We couldnt have done it without her. If you'd like to take over, please get in touch.

Wishing you all a merry christmas and a Happy New Year!

The Hollybrook Garden Committee

After: all 27 changes marked

This is what the tracked-changes Word file shows. Nothing is rewritten for the sake of it: the committee's voice stays, only the mistakes and inconsistencies go.

Questions we'd send back

A good proofread doesn't guess. These are left for you to decide, with the reason.

1. Apple day date. 4 October 2026 was a Sunday, not a Saturday. Please check whether the apple day was Saturday 3 October or Sunday 4 October. We fixed the capitals but have not changed the day or date.

2. Seed swap. 16 January 2027 is a Saturday, so the date is right, but no time is given. Please add one; we haven't guessed it.

3. Shed combination. Volunteers who joined after September won't have had the email with the combination. The next sentence already says to ask a committee member, so this may be fine as it is. Your call.

4. Juice figure. We corrected ‘litre's’ to ‘litres’ and ‘over’ to ‘more than’, but we haven't checked the number itself. Please confirm 300 litres and £412.50 are right.

5. Mrs Patel. Please check she's happy to be named and that ‘three years’ is right. We changed 3 to three for house style only.

Style sheet for this document
