

Grocery List

Aisle-ordered: fruit and veg, bakery, dairy, meat and fish, frozen, store cupboard, household, other. Columns: item, quantity, unit, got-it. Store split for big shop / corner shop / online order. Meal-to-list transfer box. Staples restock strip already named.

Staples restock strip (pre-filled)

Staple	Quantity	Unit	Got-it
milk			
bread			
tea			
eggs			
bin bags			
washing up			

Store split

Tick where this shop actually happens. One list can feed all three.

Store	When	Notes
Big shop		
Corner shop		
Online order		

Meal-to-list transfer box

Copy off the meal planner. One line per dinner.

Dinner / meal	Ingredients to add	On list?
