Waiting-On Tracker

Chase dates · replies log · closed column

Standing Soft system after Sunday Reset — empty the mental tabs.
Instant PDF · Soft Stripe · Not advice

Waiting-on list

One line per open loop. Set the next chase date before you put the phone down.

What / who	Opened	Next chase	Channel	Closed?

Filled example: School trip form — 12 Sep — chase 19 Sep — email office — ■

Prompts if the page feels empty

- School / nursery forms or payments
- GP / dentist / hospital letters
- Insurance, MOT, boiler, broadband
- Money owed / refunds / HMRC
- Someone said they would get back to you

Replies log

Write what they said (or did not). Stops you re-arguing the same chase from memory.

Item	Date	What they said / sent	Next step

Filled example: Trip form — 14 Sep — “office need wet signature” — print, sign, bag Monday

This week's hard chase (one only)

Closed column + weekly sweep

Closed list (so your brain can drop it)

Item	Closed on	Proof / where filed

Sunday sweep (2 minutes)

- Move anything with a chase date $\leq$ today to the top
- Close what finished — do not leave ghosts
- Add one new open loop you have been carrying in your head
