TCH WORKS PRESENTS

The Great British Christmas Quiz

Six rounds · Sixty questions · One tiebreaker

Answer sheets · Team score sheet · Host answers

For families, friends and the local pub. Print at home or play from a phone.

How to Play

1 **Make teams**
Two to six players per team works best. Give each team an answer sheet and pick a team name with some festive spirit.

2 **Choose a host**
The host keeps the Host Answers pages hidden and reads each question aloud twice.

3 **Play the rounds**
Six rounds of ten questions. One point per correct answer. Allow a minute or so after each round for scribbling.

4 **Mark and swap**
Teams swap sheets to mark, or the host marks. Record totals on the team score sheet after every round.

5 **Settle any tie**
If teams finish level, read the tiebreaker. The closest answer wins - no conferring with phones!

Every answer has been checked against reliable published sources before printing. Where an answer has a common alternative, it is shown in brackets on the host pages.
