

How to use this pack

Pick a tip, open your AI chat, and paste the task with your real context (no secrets). Always edit the output. Never paste passwords, bank details or confidential client data. Tick tips you try. Aim for three tips this week — small wins compound.

Work (1–15)

- ☐ 1. Draft a first-pass email, then edit tone yourself before sending.
- ☐ 2. Paste messy meeting notes and ask for decisions, owners and deadlines only.
- ☐ 3. Turn a long policy PDF into a one-page checklist for your team.
- ☐ 4. Generate three subject-line options for a client update; pick the clearest.
- ☐ 5. Ask for a risk list before a project kick-off, then validate with humans.
- ☐ 6. Rewrite jargon-heavy slides into plain UK English for non-experts.
- ☐ 7. Create a weekly status template you fill once; reuse every Friday.
- ☐ 8. Summarise a competitor's public page into features vs gaps for your offer.
- ☐ 9. Role-play a difficult client conversation and practise your replies aloud.
- ☐ 10. Convert a job description into interview questions scored 1–5.
- ☐ 11. Build a simple RACI from a project brief in under five minutes.
- ☐ 12. Ask for 'what's missing?' after you outline a proposal scope.
- ☐ 13. Turn Slack/Teams dump into a tidy action log with owners.
- ☐ 14. Generate acceptance criteria for a ticket before coding starts.
- ☐ 15. Draft a polite chase for an overdue invoice (keep it short).

Admin (16–28)

- ☐ 16. Extract dates and amounts from a receipt photo into a spreadsheet row.
- ☐ 17. Draft a GDPR-style privacy blurb for a small site, then have it reviewed.
- ☐ 18. Make a packing checklist for a work trip from your calendar events.
- ☐ 19. Turn board minutes into a 'what changed this month' staff note.
- ☐ 20. Create a rename convention for files: YYYY-MM-DD_client_topic.
- ☐ 21. Ask for a month-end close checklist tailored to a sole trader.
- ☐ 22. Generate FAQ answers from your own past support emails (anonymised).
- ☐ 23. Draft a rental inventory room-by-room list before a move-in.
- ☐ 24. Summarise three insurance quotes into a comparison table.
- ☐ 25. Write a clear out-of-office with escalation contact and return date.
- ☐ 26. Turn a messy to-do list into must / should / could for today only.
- ☐ 27. Create a handover doc when you leave a role: systems, passwords process, owners.
- ☐ 28. Ask for red-flag questions before you sign a freelance contract.

Study (29–40)

- ☐ 29. Turn a chapter into 10 flashcard Q&As; quiz yourself later without the model.
- ☐ 30. Explain a tough concept back 'like I'm 16' then check against your textbook.
- ☐ 31. Generate a spaced-repetition schedule for exam week (see countdown planner).
- ☐ 32. Paste a past-paper mark scheme and ask what 'full marks' answers include.
- ☐ 33. Create a 25-minute Pomodoro plan for one subject tonight.
- ☐ 34. Ask for common misconceptions on a topic, then verify with teacher notes.
- ☐ 35. Draft a comparison table: two theories side by side with examples.

- ☐ **36.** Convert lecture bullet points into a mind-map outline (nodes + links).
- ☐ **37.** Write three exam-style questions at different difficulty levels.
- ☐ **38.** Summarise a journal abstract into methods / findings / limits.
- ☐ **39.** Role-play a viva: answer, then ask what a strong follow-up would be.
- ☐ **40.** Build a revision timetable that protects sleep and one rest evening.

Life (41–50)

- ☐ **41.** Plan five school-night teas from what's already in the fridge.
- ☐ **42.** Draft a polite neighbour note about parking or noise — keep it kind.
- ☐ **43.** Create a Sunday life-admin block: bills, bins, bookings, bag prep.
- ☐ **44.** Turn a holiday wishlist into a daily itinerary with travel times.
- ☐ **45.** Write a declutter rule: keep / donate / bin — apply to one drawer.
- ☐ **46.** Generate a beginner running week that fits dark UK evenings.
- ☐ **47.** Ask for conversation starters for a family catch-up dinner.
- ☐ **48.** Draft a household chores rota fair across ages and energy levels.
- ☐ **49.** Make a gift idea list from 'budget + interests + occasion' prompts.
- ☐ **50.** End the week: ask 'what drained me / what helped?' and plan one tweak.
