The 10 prompts

1. Scope ask

Draft a polite UK email asking a new client for: deliverables, deadline, budget band, and who signs off. Tone: calm, clear. Niche: [NICHE].

2. Proposal outline

Write a 1-page proposal outline for [CLIENT] for [JOB]. Sections: outcome, what I do, what you provide, timeline, fee, next step.

3. Fixed quote

Turn this scope into a fixed GBP quote with 2 payment options (50/50 and 100% on delivery). Client: [CLIENT]. Scope: [SCOPE].

4. Invoice draft

Draft a UK freelancer invoice (no VAT unless I say VAT). Fields: my name, client, date, due 14 days, line items, total GBP, payment details placeholder.

5. First chase

Write a short first chase email for invoice [NUMBER] due [DATE], amount £[AMOUNT]. Friendly, one ask, one deadline.

6. Second chase

Firmer second chase for the same invoice. Offer a call or payment plan of two equal parts. Still professional.

7. Scope creep

Reply when the client adds work mid-job. Offer: (A) absorb if under 20 minutes, (B) new quote for the extra. Keep the relationship.

8. Kickoff note

Write a kickoff message after deposit: what happens this week, what I need from them, when they will hear from me.

9. Delivery note

Write a delivery email handing over files + invoice balance + how to ask for tweaks within 5 working days.

10. Testimonial ask

Ask for a one-sentence testimonial after a happy delivery. Make it easy: two optional lines they can edit.
