

UK Payday Budget Pack

Paycheque in → fixed bills → envelopes → leftover. Built for UK wage cycles: weekly, 4-weekly, or monthly.

How to use (one payday cycle)

1. Pick your pay cycle on page 2 and write take-home GBP.
2. List fixed bills (page 3) that leave on or near payday.
3. Split the rest into envelopes / jars (page 4).
4. Track weekly spend (pages 5–8); review the month (page 9).
5. Send leftover to savings or debt (page 10).

Print A4 · fill by hand or PDF annotation · GBP only · complements debt snowball + sinking funds

What can drop next payday?

One win to keep:

Actual spend £ _____ Planned £ _____ Difference £ _____

Leftover → savings / debt handoff

After envelopes, any unspent buffer is a decision — not free money. Send it with intent.

This payday leftover £ _____

→ Savings pot / sinking fund tip-in £ _____

→ Debt snowball extra £ _____ (smallest balance first)

→ Keep as next-cycle buffer £ _____

Works with TCH Debt Snowball + Sinking Funds trackers if you use them — same payday, same leftover.

Not financial advice

This pack is a personal budgeting worksheet for UK households. It does not replace advice from a qualified adviser, accountant, or debt charity.

Figures you write are your own. Check bank apps and bill providers for exact amounts and dates.
